

Reform UNRWA

What is H.R. 2343 and why should we advocate for it?

Dear Rep. Zeldin,

We applaud your sponsorship of the Peace and Tolerance in Palestinian Education Act. It provides Congress with sufficient transparency into the materials used in Palestinian education to ensure that the US does not unknowingly approve funding of incitement and hate-filled materials which urge young Palestinians to use violence to rid “the land of the Zionist entity”.

Since, the House Foreign Affairs Committee has now voted unanimously to move the bill out of committee, we hope you will work to ensure speedy consideration on the House floor. We are very eager to see the US Congress pass this most important bill. It is critical to have such a bill in place especially if, in the future, the US decides to re-institute funding the UNRWA schools.
